WE WANT YOU TO BREW BEER!

In 2015, the number of U.S. breweries grew to 4,000 for the first time since the 1870s and New York State now has 238 breweries and counting. Now, more than ever, we need more passionate men and women willing to learn the craft of brewing. Shmaltz Brewing teamed up with Schenectady County Community College (SCCC), the Greater Capital Region Workforce Development Boards and fellow New York State breweries to start our first regional Brewers Training Program. A portion of the proceeds from BREWERS WANTED will help train new brewers through this program and help support SCCC's efforts to create an Associates Degree in Brewing. Do you have what it takes to brew? Call SCCC Workforce Development Program at (518) 595-1101 Ext. 2.
